Dialects and Cultural Appreciation Were Emphasized in Español and Speech

The customs and language of our Latin American neighbors are studied by students taking SPANISH. Films, records, and other media provide an opportunity to improve pronunciation and to acquire greater facility in speaking the language. Mrs. Sheila Boydston teaches both Spanish I and Spanish II.

SPEECH offers students the opportunity to express themselves with self-confidence and poise when speaking before an audience. Students studied and practiced giving speeches as well as expanded their understanding of poetry and drama. Mrs. Jane Colwell teaches this elective course.

English Prepared Students for Tomorrow's Changing World

Four years of ENGLISH help equip the student to carry on his role in life, and provide him with the background necessary for college work. Composition and grammar are taught to all classes, along with the great literary works of English and American authors.

MRS. SANDRA NOLAN

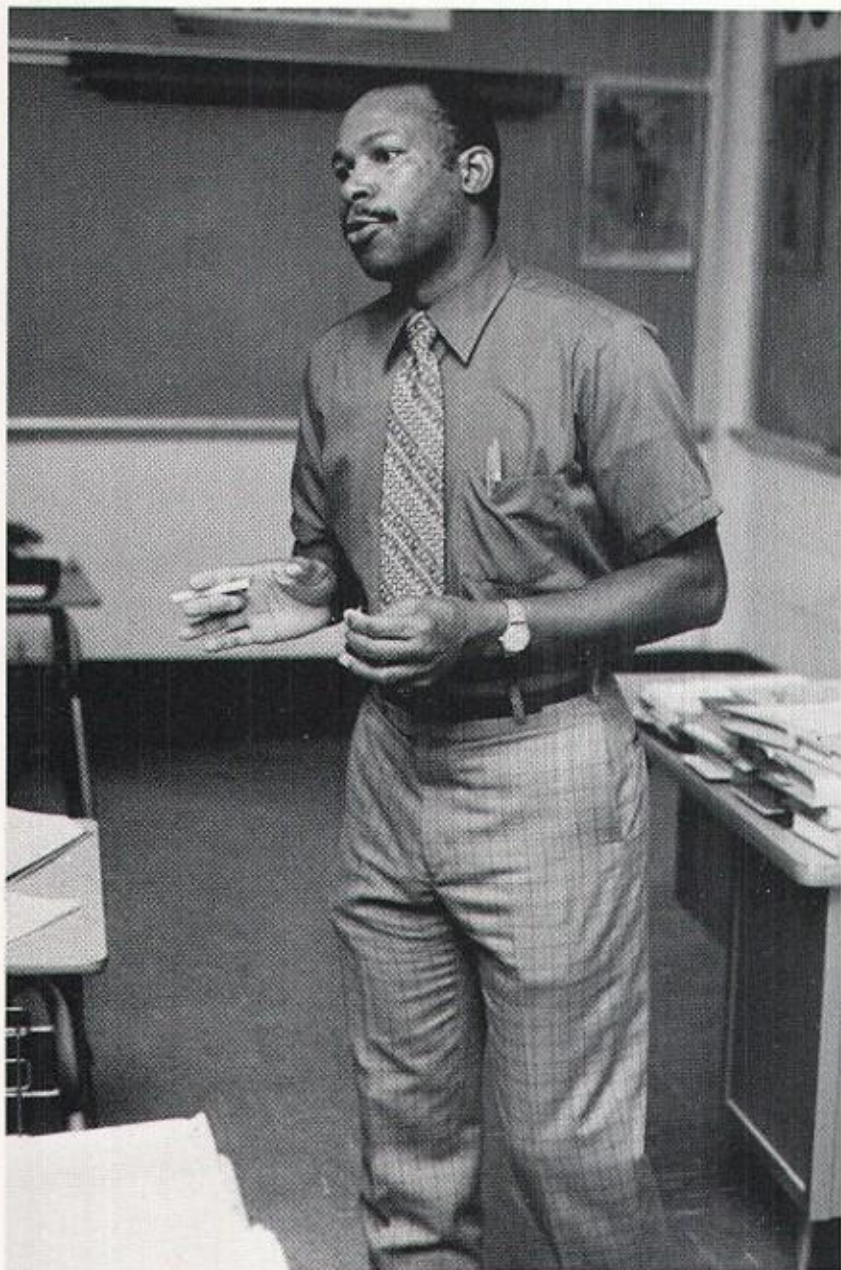

Governments and Events — Past, Present, Future

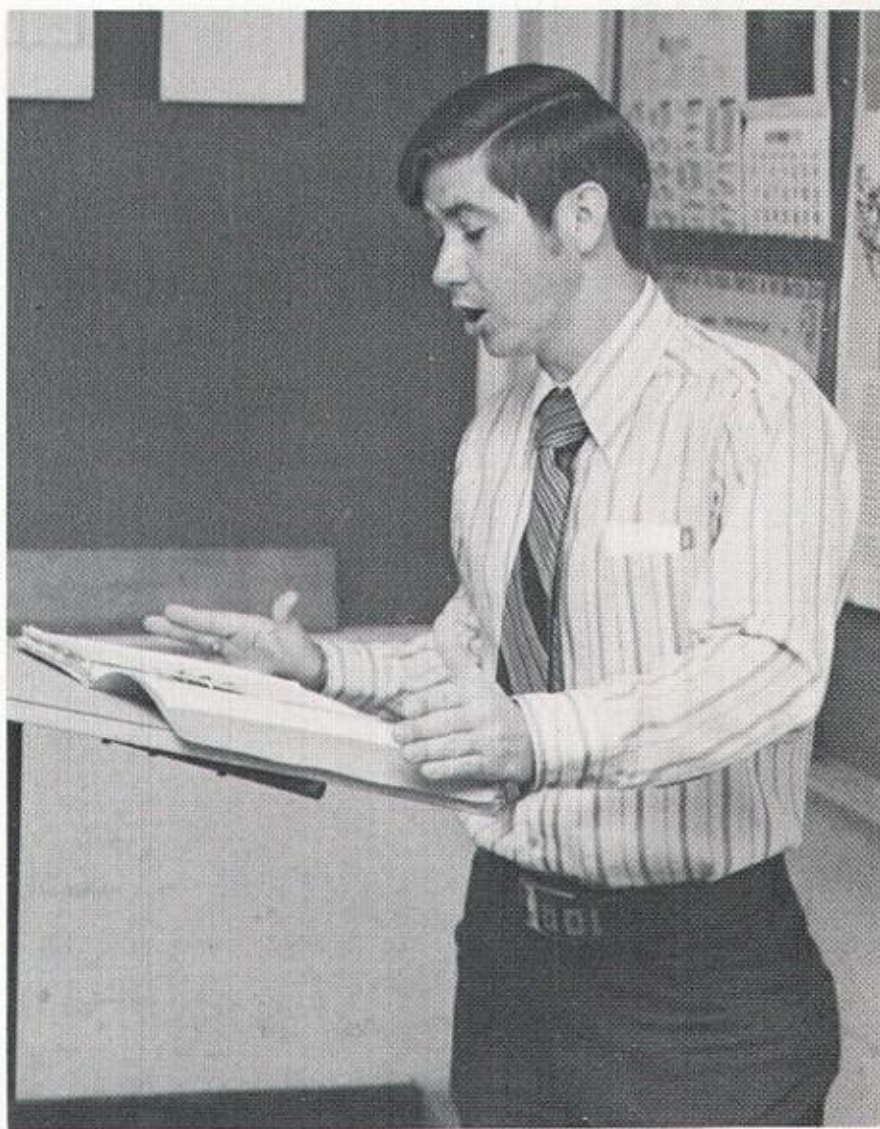

In SOCIAL STUDIES students gain useful knowledge of the United States and other countries through courses in American History, World History, and Civics. Important events, outstanding accomplishments, and well-known people are studied in World and American History. Civics creates a better understanding of government, America's and others', and helps to prepare students to be leaders of the future.

Distributive and Cooperative Education

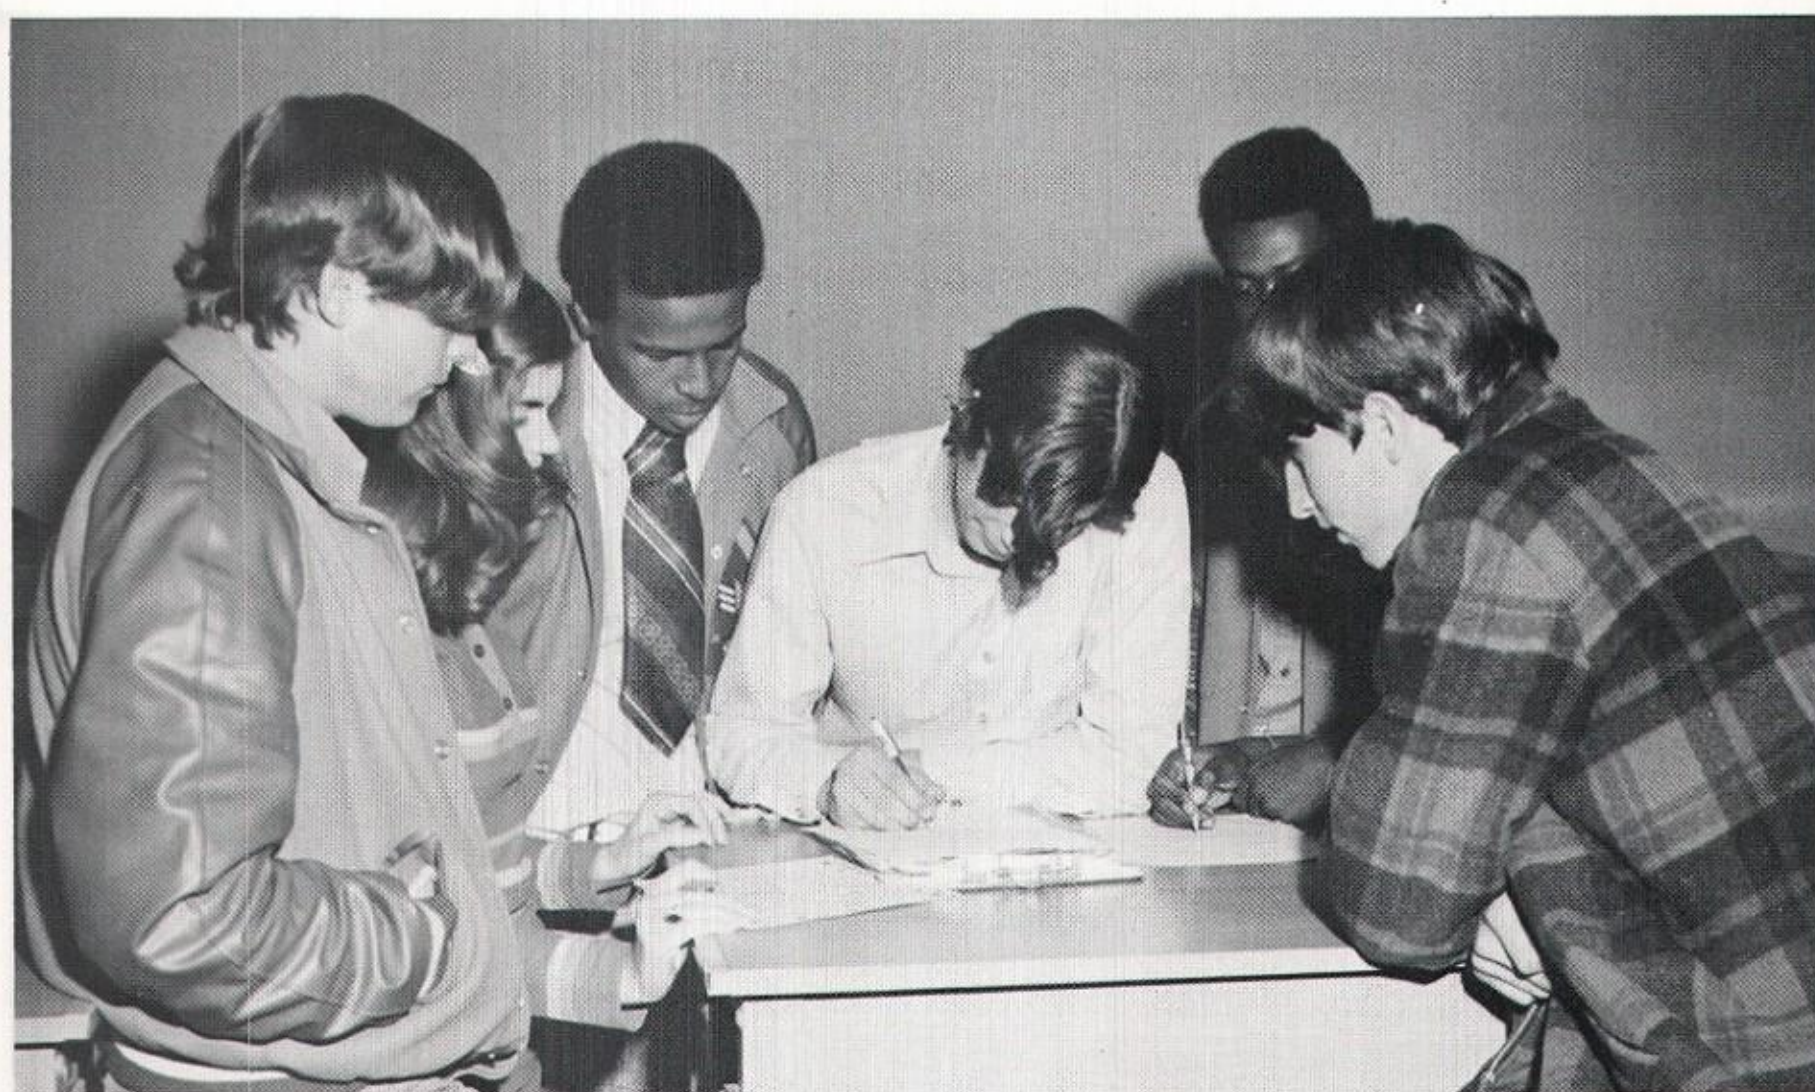

DISTRIBUTIVE EDUCATION is a vocational training program for students who work in the retail, wholesale, and service-selling fields. VOCATIONAL COOPERATIVE EDUCATION is a course designed to give students opportunities to develop a vocational skill through classroom study and actual job training. These students are able to work at their place of employment at least three hours a day while the remaining time is spent in the classroom following a regular course of study. Students keep an accurate record of the time spent working so they can fill out an income tax report for the state.

Exceptional Children's Program

MRS. HELEN DAVIS MRS. LILLIAN GUNN

The EXCEPTIONAL CHILDREN'S PROGRAM is designed to teach each student to the fullest realization that is possible for him. This program is tailored to fit the learning needs of each student as he develops. Basic fundamentals are taught to all students and vocational training is the basic goal. This will enable each student to find a suitable type of work so that he may make his own contribution to society.

1973 was a successful year for the MUSTANG BAND, under the direction of Mr. Louis Stumpf. Football fans took pride in the half-time performances of the band and twirlers. During the year, the MUSTANG BAND also attended U.I.L. Concert Contest, U.I.L. Solo and Ensemble Contest, and Houston Fat Stock Show and Rodeo. Christmas and spring concerts were presented to the student body and townspeople. The band also participated in the Bryan Christmas Parade and Madisonville Sidewalk Cattlemen's annual parade. The efforts and hard work of the MUSTANG BAND were assets to the school and community.

Mustangs Ramble . . .

Coach Harper talks over strategy with Johnny Gipson.

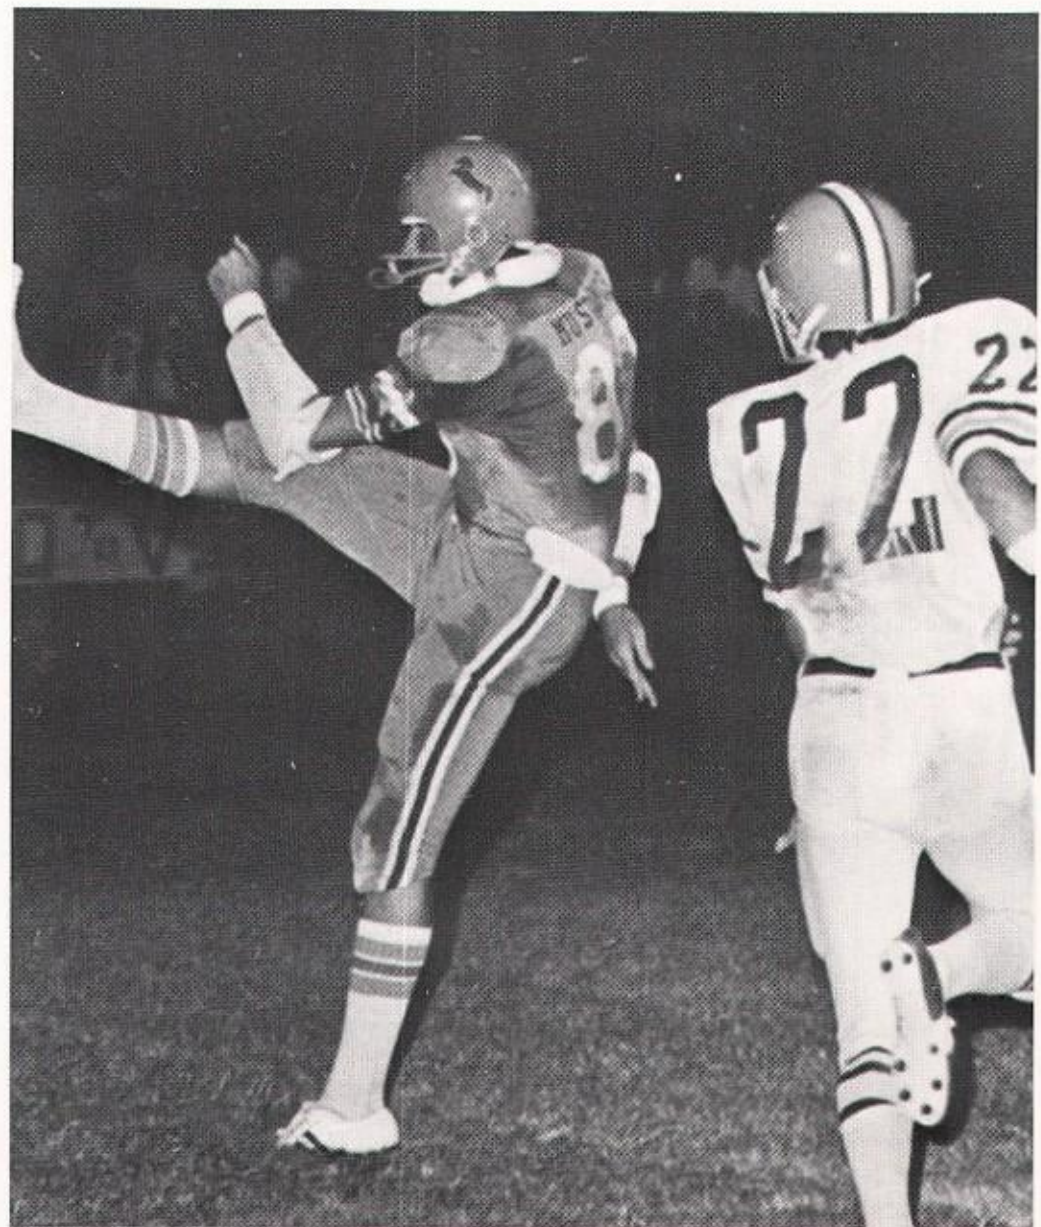

Jessie Ford gains valuable ground for Mustangs.

Jessie takes off on long run against Grapeland.

Coach Mac.

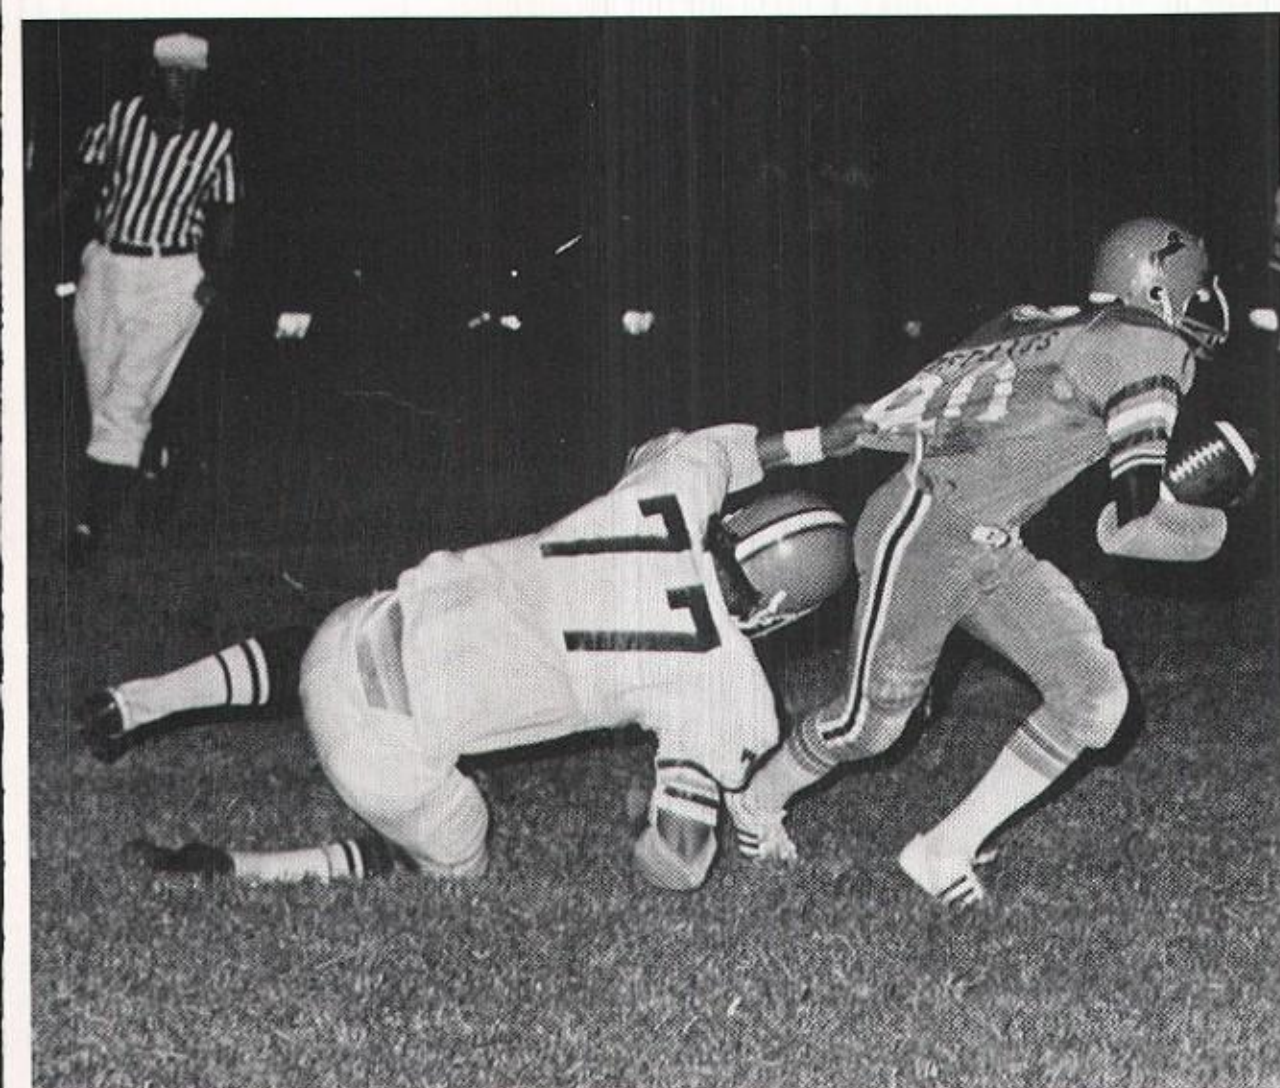

Ricky punts out of trouble.

To a Victorious Season

Where's the ball?

Ford gains short yardage against Mart.

In his first year at Madisonville, Coach Jerry Harper guided the Mustangs to their winningest season in over 10 years. The Mustangs finished the season with a surprisingly strong 7-3 record and a 4-2 district record that was good enough for a second place tie with Mart and Groesbeck. The Mustangs opened the season as they defeated the hosting Somerville Yeguas 28-6. The second week of the season found the Mustangs once again on the road; this time at Tomball. The Mustangs fell to the state-ranked Cougars 27-0. The first home game of the season brought the Grapeland Sandies to town and victory number 2 as the Mustangs triumphed 13-8. The next opponent for the Mustangs proved to be their only breather of the season as they romped over the Trinity Tigers, 54-0. The next week found the Mustangs on the road again; this time in Centerville, to open the district season against the arch rival Tigers. After the dust had cleared, the Mustangs had convincingly beaten the hapless Tigers 27-0. The second district game of the season brought the Mart Panthers to town for one of their toughest tests of the year. It was an extremely exciting game with a field goal off the golden toe of Steve Andrews the winning margin

as the Mustangs took a 9-6 victory. The most important game of the year for the local heroes came up the next week, as first place in District 21 AA was at stake when the Mustangs traveled to Rosebud-Lott. Untimely penalties and crucial fumbles plagued the Mustangs throughout the game as they came out on the short end of a 14-0 score. Homecoming found the Teague Lions at Senior Field for the eighth game of the season. Tradition was not to be denied as the Mustangs and Lions locked up in an extra close game that was undecided until the Mustangs held Teague in the final minutes for a 19-14 victory. After a much needed week off, the Mustangs traveled to Fairfield for the final road game of the season. Fairfield got off to an unbelievable start, scoring 2 touchdowns in the first 40 seconds. The stunned Mustangs couldn't regroup in time as the Eagles held on for a 26-6 victory. The last game of the season was a must for the Mustangs if they were to finish in second place behind Rosebud-Lott. They played one of their finest games of the season and won over the Groesbeck Goats 14-6, assuring the Mustangs of their finest record since 1959.

Madole drives against Teague.

Elmer shouts instructions.

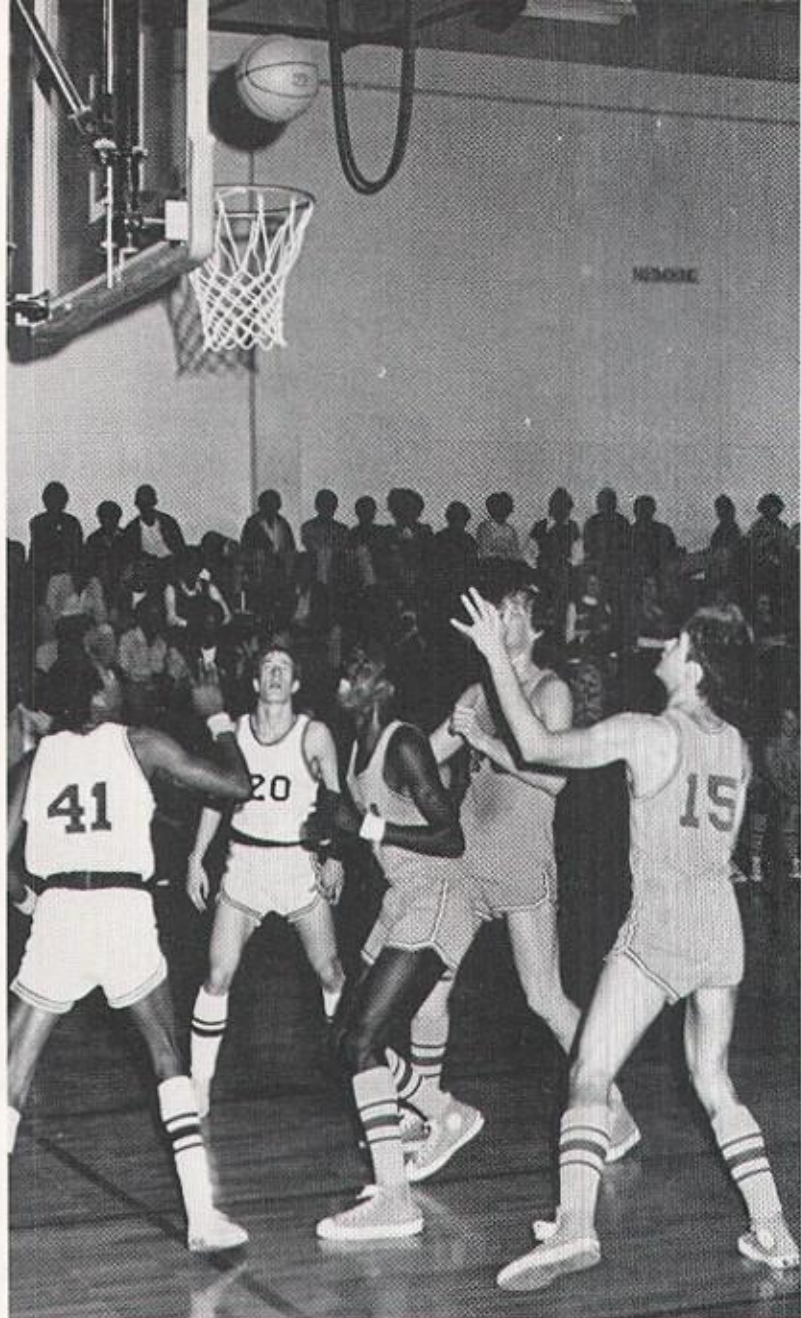

Don and Kenny fast break against Fairfield.

Woody shoots for two against Fairfield.

The 1973 Mustang basketball team did not fare as well as expected. Coach Kenneth Poole's inexperienced ponies got off to a slow start and never got more than one game above the 500 mark. Nine of the fifteen Mustang losses were to teams who won their districts. The Mustangs participated in three tourneys, Madisonville, Snook, and Centerville, winning second in their own and losing the consolation final at Snook to Marlin in an overtime.

The Mustangs began and ended the district season with strong performances, but what happened in between was the Ponies' downfall. They opened the season with a strong victory at Groesbeck. But then split with Fairfield and Mart, lost two to district champion Rosebud-Lott, and to Teague, and won the second game with Groesbeck. The Mustangs also won two heated games from arch rival Centerville, including a season ending 52 to 46 come from behind victory over the Tigers. Prospects look bright for the Mustangs as the two leading scorers David Madole and Ricky Lewis return.

The 1973 Mustang baseball team finished over the .500 mark for the first time in four years as they posted a 7-5 record. Only once in the entire season did the Mustangs lose more than one game in succession, those three losses were costly though as they were district games. Elmer Holiday led the team batting with a 421 ave. David Walker was the team leader in R.B.I. 's with 14 and he also led the ponies in home runs.

Ricky fouls one off against Fairfield.

There were always instructions from the bench.

SEARCH FOR TOMORROW

We at Gulf States know the only tomorrow we have is the youth of today. That's why we are engaged in research to control pollution, further youth programs, and to help disadvantaged young individuals. We're hoping today's student in his search for tomorrow will find a better world.
